*Indicates the bus is returning to the garage. Check with the driver for the last stop serviced.

Times shown are scheduled but may vary due to traffic, weather or unforeseen conditions.

Help us stay on schedule, please have your mCard or cash fare ready as the bus is approaching.

How to read this schedule

Locate the correct schedule based on the day of the week you are travelling and then locate the correct direction you are travelling in. The times shown are for major checkpoints along the route and letters shown above the checkpoint name refer to locations that are shown on the route map. For example, if you want to travel from Blackmarsh Road to the Avalon Mall on a Monday at approximately 8:30a, you would look at the Monday - Friday schedule for the direction "The Village to the Avalon Mall". The bus leaves Blackmarsh Road/Mercer's Lane **(B)** at 8:50a and arrives at the Avalon Mall **(D)** 9:10a. If your bus stop is before the Blackmarsh Road/Mercer's Lane checkpoint, you would need to be at your bus stop a few minutes before 8:50a and if your bus stop is after the Blackmarsh Road/Mercer's Lane checkpoint, you would need to be at your bus stop soon after 8:50a. Please arrive at your bus stop at least 5 minutes ahead of your scheduled departure time.

Riding Metrobus is easy with your mCard!

Our mCard is an interactive smart card that we use to handle all of our fare media, except for cash fares. The mCard is the same size as a credit card. When you board the bus, hold your mCard in front of the on-board validator to pay the fare. The validator recognizes the type of fare or pass on the card, and approves or denies the ride electronically. Because it's a smart card, you keep using the same card week after week, month after month. Value is added to the mCard by the user at any of our sales outlets or you can add value to your mCard online at metrobus.com.

Call or click before you split

Please visit metrobus.com or call Ride Guide at (709)722-9400 before heading to your bus stop to make sure your route is operating normally.
