

## Get to know your new bus stop!

We're replacing all of our bus stops and the new ones are jam-packed with useful information for customers including:

- + **NEXT BUS DEPARTURE INFORMATION\***
- + **ROUTES SERVICING THE BUS STOP\***
- + **ACCESSIBLE SERVICE INFORMATION**

\*information is provided through a text-enabled device or online at [metrobus.com/nextbus](http://metrobus.com/nextbus). Message & data rates charged by your wireless provider may apply.

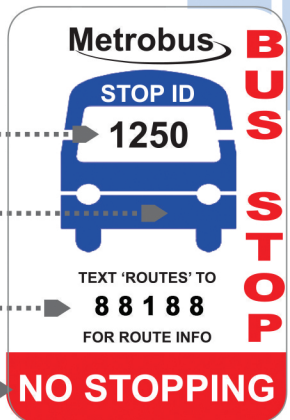

It's amazing how much information can be stored on those little signs...

Bus STOP ID - use this 4-digit number to find out which routes service the stop and get next bus departure times from this stop. Use your text-enabled device or visit [metrobus.com/nextbus](http://metrobus.com/nextbus)

This area of the sign is used to designate accessible transit service. See descriptions on reverse

Text 'routes' to **88188** to get information about the routes servicing the stop and the next departure times for those routes

It is against the law for vehicles other than a transit bus to stop or park on a bus stop

# NEXT BUS

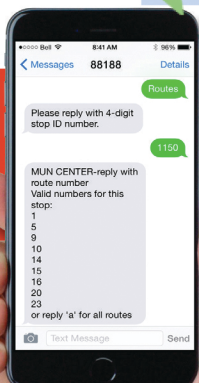

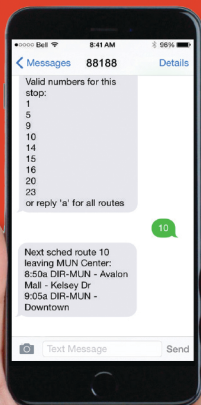

SMS

Text any 4-digit STOP ID to **88188** and get the next scheduled departure times for routes servicing that stop.

Begin by texting 'routes' to **88188**

Wait for a response and reply with the 4-digit stop id

You will receive a list of routes servicing the stop

Reply with a valid route number from the list provided\*\*

Response will be next scheduled departures from the stop for the route you selected

\*\* If only one route services a bus stop, the reply will be the next scheduled departures from the stop - you will not be prompted to reply with a route number.

## ACCESSIBLE SERVICE DESIGNATIONS

Along our accessible low floor (ALF) transit routes, bus stops are designated as fully accessible, not accessible or non-standard. For an up-to-date list of which of our routes is accessible, pick up a current copy of our Accessible Transit Service Handbook or visit [metrobus.com/ALF](http://metrobus.com/ALF).

Bus stop is fully accessible:

**Standard ALF Bus Stop**

The blue mobility decal on the bus stop indicates the bus stop meets Metrobus' accessible standards - the ramp can be deployed, the bus stop has a concrete landing pad that meets our accessibility standards with access to a sidewalk, and accessible low floor buses are used to serve designated accessible routes at this stop.

Bus stop is not accessible

The blue mobility decal with a red line through it indicates the bus stop is not accessible and the driver cannot deploy the boarding ramp at this location.

**Non-standard ALF Bus Stop**

This bus stop does not display an accessibility decal. The boarding ramp can be deployed, but these stops are not considered accessible by Metrobus standards and may only be used at the individual's own determination and risk.
