 Saturdays & Sundays - 10:00am - 5:00pm

Ride Guide Schedule Information - (709)722-9400

To help us serve you better, please have the following information ready when calling us for route information:
 - where you are leaving from
 - where you are travelling to
 - the time of the day you would like to travel.

Times shown are scheduled but may vary due to traffic, weather or unforeseen conditions.

Help us stay on schedule, please have your mCard or cash fare ready as the bus is approaching.

How to read this schedule

Locate the correct schedule based on the day of the week you are travelling and then locate the correct direction you are travelling in. The times shown are for major checkpoints along the route and letters shown above the checkpoint name refer to locations that are shown on the route map. For example, if you want to travel from Mount Pearl Square to The Village on a Monday at approximately 8:30a, you would look at the Monday - Friday schedule for route 21 for the direction "Mount Pearl to The Village". The bus leaves Mount Pearl Square (B) checkpoint at 8:30a and arrives at The Village (A) at 8:40a. If your bus stop is before the Mount Pearl Square checkpoint, you would need to be at your bus stop a few minutes before 8:30a and if your bus stop is after the Mount Pearl Square checkpoint, you would need to be at your bus stop soon after 8:30a. Please arrive at your bus stop at least 5 minutes ahead of your scheduled departure time.

Call or click before you split

Please visit metrobus.com or call Ride Guide at (709)722-9400 before heading to your bus stop to make sure your route is operating normally.

Riding Metrobus is easy with your mCard!

Your mCard is an interactive smart card that we use to handle all of our fare media, except for cash fares. The mCard is the same size as a credit card. When you board the bus, hold your mCard in front of the on-board validator to pay the fare. The validator recognizes the type of fare or pass on the card, and approves or denies the ride electronically. Because it's a smart card, you keep using the same card week after week, month after month. Value is added to the mCard by the user at any of our sales outlets or you can add value to your mCard online at metrobus.com.

*indicates the bus is returning to the garage. check with the driver for the last stop serviced.
 ^indicates route is operating on night service. See night service map for routing.
